

Heathfield School Ascot

December 2017

Dear Parents

Upper Sixth Parents' Meeting Sunday 7th January 2018

The Upper Sixth Parents' meeting evening is almost upon us. The evening will begin with a short talk at 6pm, followed by the meeting with teaching staff in the St Mary's Theatre Auditorium. We hope that you will be able to take this opportunity of discussing with us your daughter's current progress, likely grades and future Higher Education or other aspirations.

Upper Sixth study is a step up from Lower Sixth, and discussion of how the girls are coping with and applying themselves to their subjects will be useful. I have talked with your daughters about potential Higher Education options and ideas, but please feel free to discuss such ideas further with subject staff and tutors. It is useful at this stage for the girls to take part in your discussion with the staff, so they will also attend the meeting.

I will be available to discuss Higher Education, university course options and overall academic progress.

So that a programme can be arranged for you, please complete and return the attached slip by **Friday 15th December** or email vwilliams@heathfieldschool.net

Yours sincerely

J.N. Hart

Jeremy Hart
Director of Sixth Form
