Heathfield School Danceathon

Dear Parents

On 5 May 2017 Heathfield will be hosting a 24-hour Danceathon for the School's chosen charity The Railway Children.

The Railway Children is a charity that aims to reach children who have been neglected or abused and as a consequence have been forced out on the streets. They aim to meet the immediate needs of children on the streets and spend time gaining their trust and providing a safe place to stay while problems are resolved. The primary aim of the charity and the money it receives is to ensure the safety and welfare of children on the streets.

We propose a Danceathon of 24 hours, in a relay form. Year groups will be allocated shifts of 90 minutes and will then tag the next group in. This process will continue throughout the 24 hours.

Plenty of fluids and refreshments will be available throughout the 24 hours; I have also contacted various food and energy drink companies regarding sponsorship and donations. Furthermore throughout the 24 hours there will be constant supervision of the girls from various members of staff.
