

Heathfield School Ascot

March 2017

Dear Parents

The Heathfield equestrians have been active again since September with many successes both in and out of school.

Rose Hugh Smith had an unfortunate accident during training with the dressage GB Prime squad but is hopefully on the mend for a full season ahead.

Grace Congreve is an active competitor in her home county of Yorkshire at some prestigious one-day events, taking the top places against stiff competition including Olympians.

The polo players reached the end the arena season with three SUPA, schools and universities national championships. We had teams in the Junior, Senior and Ladies' tournaments with success in every division we entered.

Our highlight, however, was the "friendly" match against a Harrow team at Emsworth, where the girls showed some superb team play and beat them 14 – 10. Excellent work Victoria, Angelina and Kiki.

The Queen's Cup Final at Guards Polo Club is on Sunday 18 June and once again I would like to take girls and families to this amazing venue to see the finals of the high-scoring polo matches. This is one of the top five polo tournaments in the world, attracting the biggest names in the game and their impressive pony power, and is historically attended by HM The Queen who first presented this coveted trophy to Guards Polo Club in 1960.

Tickets will be £60 per person and ideally seating will need to be reserved as soon as possible. If you would like to attend please let me know.

Kind regards
