

December 2014

Dear Parents,

CONFIRMATION 2015

It gives me great joy that your daughter is keen to be confirmed at the Anglican Confirmation service on Saturday 17th January 2015.

The Right Reverend Jonathan Baker, Bishop of Fulham and Governor of Heathfield, will come to administer Confirmation in the School Chapel on Saturday 17th January 2015 at 3pm. I know that you will understand that the capacity of the Chapel is limited. Therefore, we must ask that you restrict your guests to **no more than 10 per girl**. Please make sure you are seated by 2.50pm. If you require any special arrangement for your visit, please let us know in advance. The candidates will be introduced to the Bishop prior to the service so I am afraid you will be unable to see your daughter before the Confirmation starts. After, there will be a brief reception for the candidates to meet the bishop and the all-important photo opportunity. Proceedings should be concluded by 5pm. As long as all school commitments are honoured, your daughter may have an optional exeat returning by 9pm on Sunday.

Some information I will require at the start of next term:

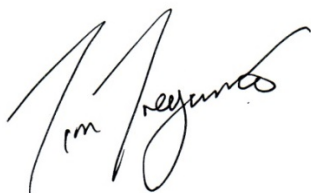

- If your daughter has been baptised (christened), please could you scan her certificate and email it to me.
- If your daughter has been baptised but you cannot find the certificate, please contact the church where she was baptised and ask for the following information:
1) Name of the church, 2) Address of the church, 3) Date of the baptism
- If your daughter has not been baptised, please email to confirm this and I can organise for her to be baptised at the Confirmation service. Your daughter is of an age now where she will not require godparents.

How you can support your daughter:

- Pray for her as she is going through this time of discernment.
- Make it easy for her to attend church on Sundays, when not at Heathfield, Christmas and Eater Services.
- Contact her godparents and encourage them to pray for her also.
- You may wish to buy her a gift of religious significance to mark the occasion.

Please feel free to contact me if you have any queries.

Have a blessed Christmas,
