Dear Parent

We are pleased to say that the specialist mobile bookshop 'Artway' is returning to Heathfield on Tuesday 19th November. The bookshop carries film, photography, art, history of art, design and textiles books to name but a few and we feel it important to inform you of this as many of the girls may like to purchase these books. Please fill in the slip below and return to school for my attention, or email the relevant details before 18th November indicating whether or not you agree to any purchases being added to the school bill.
