

December 2014

Dear Parents and Guardians,

I have great pleasure in attaching a list of all the Clubs, Activities, Team Practices and Clinics on offer during the Lent term. Girls in Forms I-III are expected to sign up to clubs, activities or team practices on **at least three** afternoons a week, and girls in Forms IV – LVI on **at least two** afternoons a week. Of course they are encouraged to sign up to more, where their timetables and other lessons allow.

Some of the options, while open to all, will require a termly commitment; others are drop-in sessions, while some (such as some of the music groups) are open only by audition. Once they have read through the clubs on offer, all girls should make their choices on the attached sheet, handing the completed form to their tutor on their return in January.

Several girls have asked about extending our range of paid-for activities and I would like to gauge the level of interest in several different options. Please could you indicate below whether your daughter would be at all interested in any of the suggestions? Alternatively if you have other ideas, do let me know. Expressing an interest will not commit you to anything, but will simply allow me to identify areas and activities to follow up on.

Do not hesitate to get in touch with your daughter's tutor, Head of House or directly with me, should you have any further questions.

Best wishes,

Kathryn de Ferrer
Director of Pastoral and Co-Curricular Activities

Name: _____

My daughter is interested in the following:

Activity:	Tick if interested
Sailing (possibly a weekly weekend commitment)	
Rowing	
CCF (Combined Cadet Force)	
Martial Arts (eg Tae Kwon Do)	
Early morning coached swim training	
Triathlon (road bike needed at school for Sunday morning rides)	
Kayaking (with a view to competing in the schools' division of the 4 day long-distance marathon from Devizes to Westminster)
