September 2014

Dear Parents

Coach Arrangements – Queen's Gate

A coach takes the girls to London on exeat weekends and at Half term. It arrives in Queen's Gate (next to the Natural history Museum and opposite Baden-Powell House, SW7, indicated below with the blue arrow) at approximately 4.30 pm on Friday evenings but this depends on traffic etc. On Sunday evening it returns girls back to school and leaves Queen's gate promptly at 6.45 pm.

Please note that other schools also use this pick-up point, so if you see more than one Hodges coach please look for the Heathfield sign at the front windscreen.

Please ensure that the appropriate housemistress is aware of your intentions to use this facility on the Wednesday before the Exeat weekend.

The cost of each journey will be added to your end of term bill.

Yours sincerely
