

## PLEASE KEEP THIS FORM

Dear Parent / Guardian

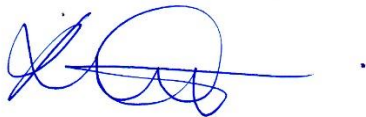

The Cornwall trip draws near and we are all certainly looking forward to our stay, although there are a few loose ends which need to be tied before we can leave!

It is imperative that we now gather all the necessary information in order for everyone to be able to participate in the trip. **THIS IS AN URGENT REQUEST.** Without this information your daughter / ward will not be able to come. I attach two important forms for you to fill in which need to be returned immediately.

The balance of the entire trip, which includes all travel, accommodation, food and excursions, is also due. Originally the quote was for approximately £250.00, excluding personal spending money. Any adjustments to the final cost will be amended within the end of the summer term bill.

I hope that everyone involved finds it an inspirational and educational weekend.

Yours sincerely

Miss K White
