

November 2015

Dear Parents/ Guardians,

The HPA have been fortunate enough to have the opportunity of working alongside Storm Trentham of DBA. As a result of this they will be selling a wide range of her Sports apparel on this year's HPA Stall at our annual St Nicholas's Stalls 2015.

Storm Trentham is an international Lacrosse player who represented Wales from 2000 to 2014 including winning 2 European Gold medals. In 2007 Storm Managed the U19 World Cup Team and in 2011 she went on to become their Head Coach, where she led them from 8th to 5th in the world. During the 2013 Lacrosse World Cup, Storm Managed the team once again and at present is the Skill and Technical Coach for the U19 and Senior Wales World Cup Teams.

DBA Sports Apparel is the new, innovative and comfortable sportswear created by Storm to make you get up and stand out. The motivational quotes that appear on all her sportswear give you that little extra inspiration and with a wide range of both quotes and sportswear to choose from you truly will be spoilt for choice.

There is an order form attached for those of you who wish to help support the HPA and Storm by ordering in advance. Please complete the attached order form and send back for the attention of Kelly O'Brien by email to reception@heatfieldschool.com or post. All orders will need to be placed either through Kelly or via the HPA stall at Nicky Stalls.

In the meantime please feel free to have a look online at all of Storm's DBA apparel ranges by visiting www.dbasportsapparel.com

We will aim to have all orders with you before your daughter breaks up for the end of term.

Kind regards

Liz Curtis
Director of Boarding
