

October 2015

Dear Parent/Guardian

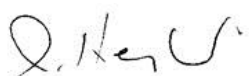

III Form Scholarships

I am pleased to announce that scholarships will be available for internal candidates in Form III from September 2016. Scholarships available are Academic, Sport, Drama, Art, Music and All-Rounder. The appointment process will involve an interview and practical or written assessment and will take place on Thursday 12 November.

Scholarships are appraised termly against specific criteria which are unique to each subject but all of which require consistent high academic performance in this area, and involvement in relevant co-curricular activities. The conditions of the scholarship are there to ensure that recipients are viewed as role models in their subject and consequently carry a high profile within the school. Scholarships last until the end of the Lent term of your daughter's final GCSE year, at which time a Sixth Form scholarship can be applied for.

Scholars who meet their criteria satisfactorily will be entitled to wear a scholars' tie and will receive an award of £250 per term. Those scholars who have been deemed not to have met their criteria will not receive the award that term and those who do so for two terms in a row will lose their scholarship altogether. This is to ensure that the scholarship maintains its high level of prestige within the school. If you would like your daughter to apply for a Heathfield scholarship, please complete and return the form below by 30 October 2015.

With best wishes

Mrs Jo Heywood
Headmistress

.....

III Form Scholarship Reply Form

My daughterwould like to apply for the following scholarship(s):

Academic	Sport	Music	Art	Drama	All-Rounder
----------	-------	-------	-----	-------	-------------

I understand that scholarships will be awarded subject to performance in an interview and practical assessment and that, as a scholar, my daughter will be expected to meet specific criteria in order to keep her scholarship.
