Dear Parent

On Wednesday 12 November I am proposing to take your daughter, as part of her AS Photography course, to the Natural History Museum (Veola Wildlife Photographer of the Year) and the V&A Museum to view the current photographic exhibitions of 'Horst P Horst: Photographer of Style' and 'Disobedient Objects', a contemporary exhibition of design. Although this visit is not compulsory, it is vital that your daughter has primary research sources evident in her course work and this trip will provide that opportunity. If you prefer that your daughter does not participate on this trip, she will be expected to acquire this knowledge in her own time.

As this visit will take place during the afternoon, supper in London that evening is a possibility. We will eat in South Kensington before returning to school.

If you give permission for your daughter to go, the cost will be added to the term's bill.

The estimated cost of this visit will be in the region of £30.00

Please contact me before the end of Wednesday 5 November to inform me whether you would like your daughter to participate: kwhite@heathfieldschool.net

Many thanks.

Yours sincerely
