

Heathfield School Ascot

1st April 2015

Dear Parent

We feel it is important that before the start of each academic year you have an overview of the proposed overseas Curricular and Co-Curricular trips that the School will be organising and that will be charged to parents. This will give you and your daughter/s the opportunity to discuss which trips they would like to go on, a chance to gain further information and help your plans for next year.

Please find below a list of proposed trips and approximate costs for 2015/16.

I would be grateful if you could email me: wreynolds@heathfieldschool.net to let me know which trip/s your daughter would be interested in. This would merely be an expression of interest and have no financial obligation attached to it. Once we have an idea of numbers, the relevant Subject Leader will be in touch with more detailed information.

Please could you return an expression of interest by Wednesday 15 April 2015.

Best wishes
