

September 2015

Dear Parents

Upper Sixth Parents' Meeting Friday 2 October 2015

The Upper Sixth Parents' meeting afternoon is almost upon us. There will be a UCAS talk in the St Mary's Theatre Meeting Room at 2.15pm to run through the UCAS process, followed by the meeting with teaching staff in the Theatre Auditorium at 3pm. We hope that you will be able to take this opportunity of discussing with us your daughter's current progress, likely grades and future Higher Education or other aspirations.

A2 study is a step up from AS, and discussion of how the girls are coping with and applying themselves to their subjects would be useful. I have talked with your daughters about potential Higher Education options and ideas, but please feel free to discuss such ideas further with subject staff and tutors. It is useful at this stage for the girls to take part in your discussion with the staff, so they will also attend the meeting.

I will be available along with the Head of Careers to discuss Higher Education, university course options and overall academic progress.

So that a programme can be arranged for you, please complete and return the attached slip by **Monday 21 September** or email pvsaltenburg@heathfieldschool.net.

Yours sincerely

Jeremy Hart
Director of Sixth Form

Upper Sixth Parents' Meeting with Staff – Friday 2 October 2015
