Dear Parents / Guardians

Harvest Chapel Challenge 2018

This year's Harvest Challenge will take a different form to recent years.

We would like collect non-perishable goods which can be donated to the local food banks. We are therefore inviting you to equip your daughters with contributions of non-perishable goods that they can bring back to school after the half-term holiday.

Tins and packets that will not weigh your daughters down unnecessarily in their travelling, when collected together, will be a hugely appreciated contribution to the work of the charities and agencies locally that provide such an important service in our local community.

I know you are extremely generous in your support of charities and particularly those connected to our School. This venture enables us to demonstrate our charitable generosity in a practical way and to strengthen the links with the community around us.

Thank you for your continued support and generosity.

With all good wishes
