

Assessment Grades and Termly Attainment Grades [TAGs]

These are the grades forecast for your daughter by the end of Form V based on recent assessment and other work she has completed in class and for prep. Assessment grades are always single grades. TAGs will be a range of grades until your daughter enters Form V, when they will become single grades. Grading is based on the UK government's new GCSE grading system as outlined below:

Old grading structure	A*		A	B		C	D	E	F	G	U
New grading structure	9	8	7	6	5	4	3	2	1		U

As your daughter moves through the school, we will track your daughter's progress using the **progress pathway** below. As pupils move from term to term and year to year, the learning curve will become steeper over time. Consequently, pupils will have to increase their efforts to stay on track.

A pupil who makes consistently good progress is likely to stay on track; significant increase / decrease in effort could see a pupil move between pathways. The grading used on the pathway is as follows:

9 – Exceptional

8 – Outstanding

7 – Excellent

6 – Very Good

5 – Good

4 – Competent

3 – Emerging

2 – Limited

1 – Basic
